### Retraction 01

---

The following article which was published in International Journal of Case Reports and Images has been retracted from publication by agreement between the authors and the journal.

Aggressive central giant cell granuloma mimicking giant cell tumor. Ahuja P, Rathore AS, Chhina S, Manchanda A International Journal of Case Reports and Images 2011; 2(2).  
doi: doi:10.5348/ijcri-2011-02-18-CR-2

This article is materially similar to the following article:

"Multiple soft tissue recurrences in a case of Central Giant cell Granuloma" - A true 'tumor' behaviour. Shetty DC, Urs AB, Rai HC, Singh A, Kumar A, Manchanda A. Clinical Reviews and Opinions. January 2011; 3(1):1-5."

An internal investigation has raised sufficient concerns about plagiarism/duplicate publication. After careful consideration, we retract this article from the literature in accordance with guidelines and best editorial practices from the Committee on Publication Ethics.

The article is withdrawn from International Journal of Case Reports and Images.
